ONE DAY BEFORE AND THE DAY OF COLONOSCOPY & UPPER ENDOSCOPY: _____ and _____.

Medication Instructions

- For diabetics – insulin dependent: Take half of your usual morning dose of insulin on the day before your procedure. Do not take any insulin on the day of the exam. Please check your blood sugar the morning of your procedure. If you use a continuous glucose monitoring system, bring your monitoring device with you.
- For diabetics – oral diabetic medications: Do not take any oral anti-diabetic medication on the day before your procedure or the day of the procedure.
- Take any heart or blood pressure medications the morning of your procedure with a few sips of water prior to the time you cannot have anything by mouth.
- If you are on any inhalers please bring them with you the day of your procedure.

ONE DAY BEFORE YOUR COLONOSCOPY & UPPER ENDOSCOPY ON _____:

-NO SOLID FOOD ALL DAY

-Avoid anything RED or PURPLE in color.

-No milk OR dairy products are permitted.

-It is important to stay well hydrated by drinking plenty of APPROVED liquids throughout the day.

-Refrigerate the Gatorade or Powerade so it will be chilled for use.

APPROVED LIQUIDS ONE DAY BEFORE YOUR COLONOSCOPY & UPPER ENDOSCOPY

- Water
- Tea (iced or hot)
- Coffee- no creamer
- Soft drinks (diet or regular) (NO RED or PURPLE)
- Fruit flavored drinks (NO RED OR PURPLE)
- Gatorade, sports drinks (NO RED OR PURPLE)
- Apple juice
- White grape juice
- White cranberry juice
- Fat free broth or bouillion
- Jello (cannot contain fruit, NO RED OR PURPLE)
- Popsicles (cannot contain fruit, NO RED OR PURPLE)

ONE DAY BEFORE YOUR COLONOSCOPY & UPPER ENDOSCOPY: _____

At 5:00 p.m. pour the entire 8.3 ounce (238 grams) bottle of Miralax powder with TWO-28 oz bottles of Gatorade or Powerade into a large pitcher and mix until completely dissolved. Drink the entire 56 oz mixture - (1) 8-ounce glass every 10-15 minutes until the mixture is gone. After you have taken your dose of prep, please take 2 Gas-X tablets.

- * If you experience nausea, slow down the pace of drinking or take a short break, then resume drinking.
- * It is important to continue drinking liquids from the approved list until bedtime. The more liquids you can drink, the better the prep will work, and will ensure you are well-hydrated.

THE MORNING OF YOUR COLONOSCOPY & UPPER ENDOSCOPY _____ @ _____ (4 hours prior to arrival time)

Pour the entire 4.1 ounce (119 gram) bottle of Miralax into the remaining 28 oz Gatorade or Powerade. Drink (1) 8 ounce glass every 10-15 minutes until the mixture is gone. After you have taken your entire dose of prep, please take 2 Gas-X tablets.

You may continue to drink clear liquids until _____. Do not drink anything else until after your procedure. Once you have completed your prep, the results should be light yellow to clear bowel movements with no particles. If your results are not clear, please call the office at 919-870-1311 for further advice.

IMPORTANT NOTES FOR THE DAY OF YOUR PROCEDURES:

- This procedure requires sedation so you must make arrangements to have a responsible adult 18 years or older bring you to our office, remain at the facility the entire time and drive you home.***This person must remain at our facility until you are discharged. Your colonoscopy will be delayed or cancelled if you are dropped off***
- Please bring your driver's license, insurance card and any co-pay/deductibles owed.
- We suggest you wear warm socks and loose comfortable clothing the day of your procedure. Please leave all valuables at home. GIH cannot be responsible for your valuables or personal items.
- Be prepared to stay at our facility for approximately 1 ½ to 2 hours.
- During the remainder of the day, do not plan on: returning to work or school; driving; consuming alcohol, signing legal documents or participating in any activity that requires coordination or balance.
- If you have any questions, or if you have any fever, cough, shortness of breath or Covid exposure within 3 days of your scheduled procedure, please contact our office at (919) 870-1311. We look forward to participating in your health care.
